WEBSITE PROJECTS

EXO SOLARIA UNION
www.exosolariaunion.com

Designed this website using the Thinkific platform. This is a space community educational and mission-based business venture.

GALAXY PLANETS

www.galaxyplanets.com

Designed this website as a personal hobby focused on my passion for astronomy by cataloging planetary systems in the galaxy. This atlas is an ongoing project as new planetary discoveries are made by NASA.

INSPIRE YOUR IMAGINATION

www.inspireyourimagination.net

Designed this website for my Father's book business venture.
